Case Study: Privatization and Bolivia's Water Crisis. In 2000, Bolivians in the city of Cochabamba took to the streets to protest the exploitative practices of a transnational company that had won the right to provide water services in the city. [37] Anti-globalization activists celebrated this victory of mostly poor mestizo and indigenous people over capitalist giants, but the situation on ...

Patriarchy is a social system in which men hold primary power and predominate in roles of political leadership, moral authority, social privilege and control of property. Some patriarchal societies are also patrilineal, meaning that property and title are inherited by the male lineage.. Patriarchy is associated with a set of ideas, a patriarchal ideology that acts to explain and justify this ...

Some different gender class systems still exist, but, by and large, the advent of the liberal social order as a global social order rather than a regional one has produced a single gender system which all other systems are seen as perversions of. Other gender systems today serve as hold outs within a larger global system.
